4 I have sent for and perused the plans also
of the Municipality. The Engineer Officer of the
Trust Board of this nature, he is not in favour of
says that as regards works of the
Municipality undertaking improvements of the City,
which under the City of Bangalore Improvement Act are
assigned to the Trust Board I do not agree.
Improvements of an urgent character which the
Municipal Council feel should be put through by it
expeditiously cannot be held up by the Trust Board.
I am of opinion that this is a very desirable
improvement and very urgently called for At
the junction of Sultanpet and Akkipet roads, a
severe bottle neck is created by the existence of
these properties now proposed to be acquired The
risk of accidents is very great The widening of
the Sultanpet Road to meet the Arlepet road will be
greatly helped by the acquisition of these properties

5) The proposals of the Municipal Council may,
therefore, be approved
